

Cookies Policy

Use of cookies and browsing data by our Website

Our Website uses cookies (the homepage for which is accessible as Cookies are small information files sent by a web server (such as that used to run our Website) to an individual's computer which are then stored on that computer's hard drive. The information contained within the file is then sent back to the server each time the individual's computer requests a page from the server. This enables the web server to identify and track the individual's web browser. A cookie contains text, and is like an identification card which can only be translated by the server it originated from.

Cookies cannot tell us information such as your email address, which we can only collect where you tell us (for example if you submit it to us using our Website).

Our Website uses the following cookies for the following purposes:

First party cookies:

| Cookie name | About this cookie (where known) | Expires |
|----------------------|--|-------------------|
| DYNSRV | This cookie is added by our load balancer to track which web server to send the visitor to. Its purpose is to improve the performance of the website. | At end of session |
| Viewed_cookie_policy | This cookie specifies whether the site visitor has viewed and accepted the cookies policy | 12 months |
| _ga | A Google Analytics cookie to help us count how many people visit our website by tracking if you've visited before. Further information on Google Analytics cookies is available here: https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage | 2 years |
| _gid | A Google Analytics cookie to help us count how many people visit our website by tracking if you've visited before. Further information on Google Analytics cookies is available here: https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage | 1 day |
| _gat | A Google Analytics cookie used to manage the rate at which page view requests are made. Further information on Google Analytics cookies is available here: https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage | At end of session |

Third party cookies:

| Cookie name | Third Party | Expires |
|----------------------------|------------------|------------------|
| ApplicationGatewayAffinity | .baw5tracker.com | On browser close |
| NID | .google.com | 6 months |

Most internet browsers allow you to prevent cookies being stored on your computer. If you want to know how to do this please look at the Help menu on your browser. Please note that doing so may restrict your ability to use our Website.

Alternatively, you may be able to configure your browser to accept all cookies or to notify you when a cookie is offered by our server. You may also be able to delete all cookies currently stored on your browser.

Therefore unless you change your browser settings you will automatically accept cookies from our Website.

We may also collect information about where you are on the Internet (e.g. the URL you came from, IP address, and domain names like .co.uk and.com), your browser type, the country where your computer is located, the pages of our Website that were viewed during your visit and any search terms that you entered on our Website. We may collect this information even if you do not submit any information capture forms or make any transactions using our Website, and will use it to administer and improve the accessibility of our Website, for internal operations (including troubleshooting, analysis of how our Website is used, testing, research, statistical and survey purposes) and as part of our efforts to keep our Website safe.

For further information about cookies and how they are used, please visit www.aboutcookies.org.
